20-30 TOPS IN HOOP RACE

Cougars Dumped As Legion
Five Hits Stride; Forest
Service Quint Wins

STANDINGS

	W	L	Pct.
20-30 Club	2	0	1.000
All-Stars	1	0	1.000
Mosquito	1	0	1.000
De Molay	1	0	1.000
Snowline	1	1	.500
Forest Service	1	1	.500
Cougars	1	1	.500
American Legion	1	2	.333
Native Sons	0	2	.000
Texaco	0	2	.000

The Twenty-Three club quint went into the lead in the third round of the county basketball league schedule at the high school gymnasium Tuesday night by virtue of a 41 to 14 win over Texaco while the Legion was upsetting the Cougars, 18 to 14.

In the third game of the night the Forest Service won from the Native sons, 21 to 18.

Thursday night's games will send the American Legion against the DeMolay, with the Native Sons playing the All-Stars and the Twenty-Three defending its newly won position against the Forest Service.

In the opening game of the night, all of the Forest Service five found the basket, with Center Kincade getting his point by virtue of a free toss. Dunkle was high for the Forest Service with ten points. Cotter and Liddicoet accounted for four each and Valley two.

In the second tilt, Bishop led the Legion with nine points, Wentz getting four, Schmershal three and Justus two, which was too many for the Cougars who were led by J. Schroth with seven, Jack Singleton with three and S. Thompson and Del Carlo with two apiece.

High point man for the night was Reeg for the 20-30s who hooked ten field goals for a total of twenty counters. Harris rang the bell for fourteen points and Westernman got three, with McCoy and Murdock getting a brace a piece.

Texaco blanked on five by Webster, four by Boggs, two each by Thrapelle and Martinovich and one by Nordyke, which was not enough.

Golf Ladder Announced

Tournament Opens Sunday;
Players May Invite Guests
To Inspect, Play Course

Preliminaries of the golf season at the Placerville Golf Course have been concluded and Larry Kelly, the club "pro," this week announced the opening of the ladder tournament for Sunday, January 22.

Flashing a green light on the field, Kelly also announced the standing of members on the ladder, which is topped by Ronald Cook.

Sunday will be a "red letter" occasion at the course and those who have been playing regularly have been notified they may invite guests to share the fun of the day with them. Beginners in the game will be interested in Kelly's oral golf lesson, scheduled at 1:30, when he will explain and demonstrate the proper way to hit the ball and offer tips which will help the golfer enjoy his game.

The tournament ladder follows: Ronald Cook, M. T. Kelly, J. C. Wilson, F. A. Peterson, Leo Burger, Bob Patterson, A. L. Bemis, B. E. Larson, P. J. Killian, Lloyd Cannon, Joe Hearn, O. D. Murdock, R. E. Roberts, Don Goodrich, Max Davey, Dr. W. A. Rantz, Harry L. Jaspas, Seth Beach, Bron Smith, P. S. Tracy, J. F. McKee, M. E. Wright, G. E. Anderson, B. J. Edelman, Payette Franklin, Bob Patterson, Jr., Percy Perkins, Bert Riggs, J. H. Rhodes, Ed Willis, H. J. Lindberg, Lester Longhurst, Dr. A. A. McKittrick, Tom Brumback, Jay W. Fox, Dick Johnson, C. 4 Killed In Crash Of New Guinea Transport

DARWIN, Australia, (AP)—Three crew members and a passenger were killed today when a New Guinea Airways transport plane crashed into the Katharine River shortly after taking off for Adelaide.

RETURNED FROM "the wars" exhibiting one of the trophies thereof is F. A. Peterson, right, who caught the 23-pound striped bass, measuring 37 inches, off Venice Island in the San Joaquin River Sunday. Sharing Peterson's interest is his nephew, Richard Johnson, of Manson, Iowa, who accompanied "Pete" and Dr. H. E. Hollenbeck on the fishing trip Sunday. Peterson caught two other fifteen-inch 3-pounders and Dr. Hollenbeck brought home one 3-pounder. "Pete" insists that the level of the water dropped two inches when the big fellow came out.—Demochat photo.

THURMAN BREAKS PRECEDENT AND INTRODUCES A BILL

Six Others Follow As Assemblyman Offers
First Measure From Sixth District Since
Legislative Session Of 1935By ALLEN G. "SCOOP" THURMAN
Member of the Assembly, 6th District

SACRAMENTO—Your assemblyman presented his first bill last week and in doing so made some kind of a record inasmuch as it was the first bill introduced by an assemblyman from the Sixth District since the session of 1935. During the 1937 session of the state legislature, our predecessor, Jesse Mayo, did not introduce a single bill.

Our first bill, No. 512, is one of minor importance. It is an amendment to the Vehicle Code which will designate cars driven by constables as authorized emergency vehicles, allowing the constables the same privileges as the law now allows other police officers.

This week the writer introduced six other bills amending the political code, the code of civil procedure and the penal code in matters pertaining to justices of the peace and constables. One of these bills would allow the payment of the sum of two dollars to jurors who are called upon to serve in a justice court. Personally we see no reason why a business man who is called away

CHROME PROPERTY MAKES READY TO HANDLE LARGER TONNAGE

Concentrating mill at El Dorado county properties of United States Chrome Mines, Inc., A. H. Wild, president, 2238 Hyde Street, San Francisco, will be enlarged to capacity of 150 tons per day, following installation of river pump and one mile of 6-inch pipe line connecting river with new 20,000-gallon storage tank says the Mining and Industrial News. The company recently applied for water permit to divert 200 gallons of water per minute from the North Fork of the American River, at an estimated cost of \$10,000. The 100-ton chrome concentrating plant was recently completed on the company's 2,500-acre holdings. Sufficient orders are reported on hand to keep the company's California and Oregon properties operating at capacity for several years.

Gov. Olson Continues In Improvement

SACRAMENTO (AP)—Gov. Culbert L. Olson continued to improve today from his recent collapse, his physicians said, but the 62 year old chief executive probably will not be permitted to deliver his budget message to the legislature next week.

The Governor, already transacting business from his hospital bed, has expressed his desire to go before the lawmakers personally with his message.

COUNTY NATIVE IS SUMMONED

Private Funeral For
Miss Margaret Christian
To Be Held Thursday

Miss Margaret Ethel Christian, a native of the county and a life-long resident here, passed away on Tuesday afternoon at the home of her sister, Mrs. E. K. Fowler, on Cedar Ravine street.

The funeral services will be private, and will be held on Thursday from the Dillinger mortuary chapel. Interment will be at El Dorado.

Miss Christian's health began to fail about two years ago although she had been critically ill only a few days before her passing.

Deceased was born fifty-one years ago. A life-long resident of the county, she has a host of friends who will share with the family the sorrow of her passing and who will remember her many excellent traits of character.

In addition to the sister at whose home she passed away, Miss Christian is survived by two brothers, William and Ed Christian, of this city; an uncle, Charles Sackett, of El Dorado; an aunt, Mrs. Clara Sackett, of Roseville.

She was the aunt of Harold B. Fowler and Mrs. Elwin Veerkamp and Miss Ethel Christian, all of this city; and of Mrs. Anita Chappell, of Elk Grove; Edward Christian, of Oakland, and William Christian, of Arizona. More distant relatives also survive.

Miss Christian was a member of Marguerite Parlor No. 12, Native Daughters of the Golden West.

Foresters Install

Louis F. Miller Heads
New Staff Of Officers
Seated Tuesday Night

The regular installation of officers of Court Confidence No. 117, Foresters of America, was held at the meeting of the court on Tuesday evening.

The officers were installed by D. D. Marks, Sr., Deputy Grand Chief Ranger, and are as follows: Louis F. Miller, Chief Ranger; Jack Vivian, Sub-Chief Ranger; J. E. Fox, treasurer; Ed. Sheppard, financial secretary; P. J. Vennewitz, recording secretary; Albert Vivian, Senior Woodward; Douglas Vivian, Junior Beadle; Harold Buhlman, Junior Beadle; Roy Vanderhagen, Junior Past Chief Ranger; Carl E. Springer, Lecturer; and P. J. Hall, trustee.

An additional feature of the meeting was the initiation of Lawrence W. Pearce.

Refreshments and a social time followed the meeting.

SUTTER LANDING TO BE CELEBRATED ON AUGUST 12

SACRAMENTO—J. J. Monteverde, chairman of the Sutter Landing Committee of the Sacramento-Golden Empire Centennial, announces that a ceremony will be held August 12th, 1939, at the confluence of the Sacramento and American Rivers commemorating the landing of Captain John A. Sutter 100 years ago. This plan follows a survey made by a committee composed of H. J. McCurry, general chairman, A. S. Dudley, executive-manager, and Irvin Engler, chairman of the publicity committee of the Sacramento-Golden Empire Centennial.

The general plan is to have characters representing Sutter and the party which came up the Sacramento River with him in a sailing vessel, repeat this historical event and land at the spot on the north bank of the American River at the point where it flows into the Sacramento River.

Six From Placerville Attend Presbyterial

Six representatives of the Federated Church were at Sacramento on Monday of this week to attend the regular meeting of the Sacramento Presbyterial, held at the Westminster Presbyterian church.

Guest speaker of the day was Miss Eleanor Ewing, of San Francisco, who was introduced by Mrs. H. G. Eddy, of Weed, president.

Placerville's representatives at the meeting were Mrs. A. S. Fox, Mrs. Mabel Cole, Mrs. Frank Romberg, Mrs. Robert Carpenter, Sr., Mrs. Martin Luther and the Rev. H. G. Morehouse.

65 PRESENT AS SHAKESPEARE CLUB MARKS PIONEER DAY

Miss Margaret Kelly Guest Speaker At Pot-Luck
Luncheon On Tuesday; Miss O'Donnell And Other
Early-Day Residents Tell Recollections

Members of the Placerville Shakespeare Club held their annual Pioneer Day program at the clubhouse on Tuesday in connection with a pot-luck luncheon.

A total of sixty-five were present, including a number of the older residents of the county who contributed to the program some of their recollections of life in El Dorado County in the early days.

The honor guest and speaker of the day was Miss Margaret A. Kelly, of Kelsey, a former teacher in the schools of the county and a native and life-long resident of the county.

The meeting opened with appropriate remarks by the club president, Mrs. Mary Hand and following this, in compliment to the honor guest and also in honor of the other pioneers in attendance the meeting sang "When You and I Were Young Maggie." Other old-time songs also were sung during the meeting.

Miss Kelly took as her subject, "Pioneer Mothers and Pioneer Teachers" and gave a very interesting review of the trials and problems of life in the county in the earlier days.

Other special speakers included Mrs. Frank Wudell, president of the recently former Soroptomist Club, in Placerville, and Wallace M. Ripley, secretary of the Chamber of Commerce, who spoke concerning the plans for observing the centennial of the founding of Sacramento and for co-operating in the celebration, particularly in connection with El Dorado County Homecoming Week, the fourth week in August.

Among the older residents of the county who were introduced and responded with talks concerning their recollections of life in the pioneer times were Mrs. Nevada Childs and daughter, Mrs. Robert Dodds; Mrs. Ella Vennewitz, Mrs. Lena Harbin, daughter of one of California's early-day ministers; Mrs. Mary Swansborough; Mrs. Robert Blair and daughter, Jennie; Mrs. Charles Swisher, Mrs. Flora Stacey; Miss Mary O'Donnell, who is always an interesting speaker; Miss Donahue; Mrs. Nellie McBeth, Mrs. Sara Sexton, Mrs. Sadie Davey, Mrs. Minnie Gilmore, and Mrs. Mehltable Sikes.

An announcement called attention to the regular meeting of the Garden Section on Tuesday of the coming week.

HISTORY SOCIETY TAKES 2-YEAR LEASE ON LEWENSTEIN BLDG.

Shortly after 3 o'clock this afternoon, public announcement was made by Wallace M. Ripley, publicity chairman for the County Historical Society, that the society has taken a two-year lease on the Sacramento Street business property of Mr. J. J. Lewenstein and will proceed immediately to raise funds to rehabilitate the property and underwrite the expense of operation for the coming year.

The site was chosen from among several investigated by the building committee, of which Cecil Barker is chairman.

Reuel Whigam has been named chairman of the finance committee for the society which hopes to make the building available to the general public by April 1.

Mrs. Andrew Green Guest At Recent Shower

Mrs. Chester Vaughn was hostess for a recent kitchen shower honoring Mrs. Andrew Green, a bride of six weeks.

Present were Mrs. E. Case, Mrs. Roy Chaix, Mrs. John Bibby, Mrs. George King, Mrs. Carl King, Mrs. Les Vaughn, Mrs. Bill Varozza, Mrs. E. J. Green, Mrs. Andrew Green and the hostess.

The afternoon was spent at Dutch whist following which tea, cake and sandwiches were served. The ladies all spent an enjoyable afternoon.

ICE SKATING LURES WINTER FANS TO LAKE TAHOE

Eldred Bray, a member of the Lake Tahoe Division of the El Dorado County Chamber of Commerce, reported to Secretary Wallace Ripley Wednesday morning that the ice skating at the south end of Lake Tahoe is excellent and is attracting an increasingly large number of people.

The new rink which was prepared at the Keller yacht harbor has proved to be a big attraction and adds another link in the large variety of winter sports activities that can be enjoyed at the Echo Summit and Lake Tahoe area.

The rink may be reached by way of U. S. Highway 50 from Placerville; from Tahoe City around the west end of the Lake; or from the Nevada side on Highway 50.

Skiing is excellent at Echo summit.

4-H Club Council To Meet Tonight

The Regular meeting of the county 4-H Club Council for January will be held at the Farm Advisor's office this (Wednesday) evening.

In addition to the usual business, the meeting will be of special interest to club leaders of the county, who comprise the membership, since Frank Spurrier, Northern California 4-H Club leader, will be in attendance.

PUPILS MARCH TO SAFETY

Defective Flue Supposed
Cause Of Fire Which Burned
Part Of Roof Of Building

Mrs. Juanita Emmerson was in Placerville from Shingle at noon on Wednesday and reported that the fire was discovered by Billie Taylor, a primary room pupil, who called the attention of Mrs. Liddicoet to flames around the flue.

Mrs. Liddicoet immediately reported to Mrs. Emmerson and the two centered their attentions on getting the children out of the building.

A bucket brigade of volunteers, carrying water from the nearby home of Justice of the Peace Will G. Taylor, saved the Buckeye school at Shingle Springs, from destruction by fire about ten o'clock Wednesday morning.

Seventy pupils of the school marched in orderly fashion from the frame building under the leadership of their teachers, Mrs. Juanita Emmerson and Mrs. Adrienne Liddicoet, who is substituting for the regular teacher in the primary grades.

Volunteers carried desks and other equipment from the building while the fight was pressed to extinguish the flames and the result is that the building was saved. Damage amounts to the partial destruction over the roof of the primary class room.

The fire is supposed to have started from a defective flue. The blaze got into the shingle roof of the building, under a tin roof and above a composition board ceiling which made the flames difficult for the volunteer workers, who rushed to the scene as soon as the alarm was sounded, to get at.

However, by forming a bucket brigade to carry water from the residence of Judge Taylor, some distance removed, the volunteers were successful in overcoming the fire.

Members of the district board of trustees are Clarence Schelber, Dewey Taylor and Justus Chaix. They could not be reached for a statement Wednesday morning, but other sources indicated that the damage is not so serious but what it can be readily repaired.

Sports Parade

By HENRY McLEMORE

LOS ANGELES, (AP)—The surprise that Livingston felt when he popped around a bush in darkest Africa and ran into his old friend, Stanley, who was apparently looking for something, must have been very great.

But it could not have been greater than my surprise when I was asked to be guest handicapper for the Santa Anita races yesterday by the Los Angeles Herald Express. A guest handicapper, as you doubtless know, is a person not officially connected with horse racing who is asked to select the winners on a certain day.

With the whole wide world to choose from, why any paper would ask me to try to name eight winners in one day is a profound mystery. People have asked me to do a lot of things—to please dance with their tall sisters, to let 'em have five till Friday, and to put up or shut up. But this is the first time, and I swear to it on my vest pocket Koran, that anyone has ever asked to publish my opinion on winners.

As every human (and I like to think of myself as one) is vulner-

able to flattery, I accepted. And to be truthful with you, I haven't felt so set up since my old school, the Keeley Institute, awarded me an honorary degree.

Not that I went about picking my winners in a casual, light manner. From the moment I accepted, until I sent my selections in, I worked like a man possessed. And I am possessed of more information about all the horses that ran yesterday than you could shake a stick at, if you are daffy enough to shake a stick at information. Confidentially, I shook a stick at an information once—the information man in the Grand Central Station in New York—and it got me in a passel of trouble.

But to get back to what I know about the 75 horses which ran at Santa Anita. I would be alarmed if any one of those horses knew as much about me as I know about them. My past performances would not stand going over, even by a horse. Imagine how a well bred horse would feel if he picked up my form chart and read this:

"H. McLemore, Caucasian Plater, 32, owned by Morris Plan Stock Farm. Last time out was last night, all night. Showed lots of early foot at the bar-rier and too much staying power for the kind of company he was with. Fractious at the start, he closed fast—three places. In

trouble at the quarter-to-three pole and refused to respond to urging. Near home he faltered badly, but was sure when he went to bed that his number was up."

This is what a horse would know about me if some one ran a human racing form, though it only covers one early morning workout. Imagine what I know about those horses.

PIEROVICH OFFERS BILL ON TWO ROADS IN COUNTY

SACRAMENTO, (AP)—Two bills were introduced in the legislature yesterday by Senator A. L. Pierovich of Jackson, seeking to include in the state highway system a road from Shenandoah Valley in Amador county to the Aukum road in El Dorado county and a new road in Calaveras county from Mokelumne to Pioneer station, via West-point; and to include a two-mile section of Fallen Leaf road at Lake Tahoe unintentionally not included in a law enacted four years ago.

Centennial Of Baseball To Open Early In May

NEW YORK, (AP)—One hundred years ago this spring, Abner Doubleday, a West Point Cadet, drew up a set of rules, laid out a diamond and organized the first game of baseball.

The national baseball centennial commission has announced plans for nationwide celebration of the birth of the great American pastime.

Cooperstown, a small community in central New York which also claims fame as the site of James Fenimore Cooper's "Leatherstocking Tales," will be the focal point of the celebration. For it was there that Cadet Doubleday, who rose to the rank of major general before his death in 1893, devised the game.

The program at Cooperstown will be started early in May with a series of exhibition games at Double-

day Field.

The big day will be June 12 when the major leagues turn back the clock a century and stage a "cavalcade of baseball," representing the highlights of the game from its beginning to the present; from "town ball," a game with an unlimited number of players which gave Mr. Doubleday his inspiration, to the big-time, modern organized game featuring present-day stars.

On the same day, the hall of fame, located in the National Baseball Museum at Cooperstown, will be dedicated. Nine baseball immortals already have been voted niches in the museum by the Baseball Writers' Association which polls its membership each year. In order to become eligible, a candidate must receive at least 75 per cent of the votes cast. Each writer can pick ten men.

A Reluctant Departure

Thurman Breaks Precedent

(Continued from page one)

swamped this week with telegrams, letters and resolutions opposing the proposed Kings River Canyon National Park. These letters and resolutions have been received from Nevada County on the north to Inyo County on the south. Rest assured that your representative in the lower house will do all in his power in opposing this proposed national park.

At this time we would like to inform the readers of this newspaper that we would be glad to hear from them at any time relative to matters of importance to the district and their area in particular. You may address me in care of the Assembly Chambers, Sacramento, California.

On Monday night of this week the writer attended the public hearing held before the Senate Committee on the joint resolution opposing the proposed creation of a national park in the Kings River Canyon. Senator A. L. Pierovich of the 9th Senatorial District is one of the authors of the resolution. The proponents of the resolution ably presented their case with Senator Jesse Mayo of Calaveras County taking an active part in support of the resolution.

Following the lengthy hearing the Senate Committee acted favorably on the resolution and indications are that it will pass the Senate this week.

It might interest the readers of this newspaper that the polling of the vote in the assembly chamber is done on an electric voting machine which by the press of a button flashes green lights for "yea" and red lights for "no" votes on two large boards, one on each side of the speaker's desk. These boards contain the names of eighty assemblymen in alphabetical order and alongside each name is a red and green button which lights up as the assemblymen press the buttons on their desk according to the way they are voting.

Farmers Given Responsibility For Success In AAA Program

Following conferences with AAA Western Division representatives, California state and county agricultural conservation committees are preparing to carry out the 1939 farm program in line with recommendations made by N. E. Dodd, newly-appointed assistant director of the Western Division.

A policy of decentralization, placing increased responsibility upon farmer committeemen for operations of the farm program within the states, was voiced by Dodd at a series of interstate conferences just completed in the Western states and attended by state committees, AAA and Extension Service representatives.

First of these regional conferences was attended by farmer representatives from California, Oregon, Nevada, Utah, Arizona and New Mexico, and was held in Berkeley, California, January 5-6. Similar conferences followed at Spokane, Washington January 9-10, and Laramie, Wyoming, January 12-13.

Dodd is well known through the west as a wheat and livestock farmer at Haines, Oregon, and was chairman of the Oregon State Agricultural Conservation Committee prior to his appointment last month to the western division staff.

In his opening remarks at the Berkeley conference, Dodd pointed out that farmers themselves will have definite responsibility for administration and education with regard to the 1939 Agricultural Conservation Program within the states through state, county and community agricultural conservation committees.

He further stated that local administrative procedure has been modified to enable the state, county and community committees to assume the increased responsibility now placed upon them.

Farmer members of the California State Committee attending the Berkeley conference were: David J. Da-

N. E. DODD, newly appointed assistant director of the Western Division of the AAA, who has pointed out in a series of recent conferences the increasing responsibility of the farmer in the program which is designated in the hope of improving farm conditions.

DEMPSEY NAMES WILLARD TO "POSITION" IN HIS BUSINESS

MIAMI BEACH, (UP) — A brash "unknown," who later became the Manassa Mauler, king of the heavy-weight prize fighters, ducked out of a Toledo ring 20 years ago, leaving behind a battered giant and a woman who wept bitterly.

Dempsey, who dumped his ring profits into a remunerative hotel business, became "the boss" to Jess Willard, whose financial glories had faded.

Willard will start as a "good will" ambassador for a brand of whiskey which Jack is interested in.

Dempsey insisted the work Willard will do is "not a job."

"He's going to be associated with me and he'll be his own boss and keep his own hours," Jack explained. He said Jess would remain in Florida about a month and be chief "hand-shaker" at the Dempsey-Vanderbilt Hotel.

SOIL CONSERVATION TO MOVE OFFICES TO SAN FRANCISCO

SANTA PAULA (UP) — The regional soil conservation headquarters of the U. S. Department of Agriculture will be transferred from Santa Paula to the San Francisco Bay area, it was announced today.

The announcement was made by Harry E. Reddick, regional conservator. The office handles nine soil conservation demonstration areas, seven of them in California and two in Nevada, and nine CCC camps, eight in California and one in Nevada.

WAITRESS AIDS CAPTURE OF THREE WOULD-BE BANDITS

SACRAMENTO, (UP) — Three youths, one of them armed, walked into a Sacramento sandwich shop last night and ordered May Douma, 30-year-old waitress to open the cash register.

Mrs. Douma not only refused to open the cash drawer, but grappled with the gunman. Despite threats that he would shoot, the waitress held on and delayed the young bandit's departure until police arrived.

The youths were Charles William Bally, 17, who said he was from Ohio; Reynold Virail Modrall, 17, of Tacoma, Wash.; and Bill Rand, 18. They were to be arraigned today.

Hawaii Greet Honeymooners

Mr. and Mrs. George X. McLanahan, two of the season's most notable newlyweds, are greeted with the traditional leis and pineapple drinks as they arrive at Honolulu on their honeymoon trip. Mrs. McLanahan is the former Sally Clark, sister-in-law of John Roosevelt, the President's son.

C. N. P. A. President On Radio Thursday

SAN FRANCISCO — Roy Brown, San Rafael publisher and president of the California Newspaper Publishers Association, will be the guest of the California March of Progress, on the blue network of the National Broadcasting Company, Thursday evening from 8:15 to 8:30.

Brown will speak from Fresno, on the eve of the C. N. P. A.'s 51st annual convention, which is being held in that city. Publishers and newspaper men from every section of California will attend.

Former Sen. Costigan Dead Of Pneumonia

DENVER (UP) — Former U. S. Sen. Edward Prentiss Costigan, D. Colo., an early supporter of new deal labor and relief measures, died at his home last night of a heart attack. It was induced by lobar pneumonia. He was 64.

Wife Preservers

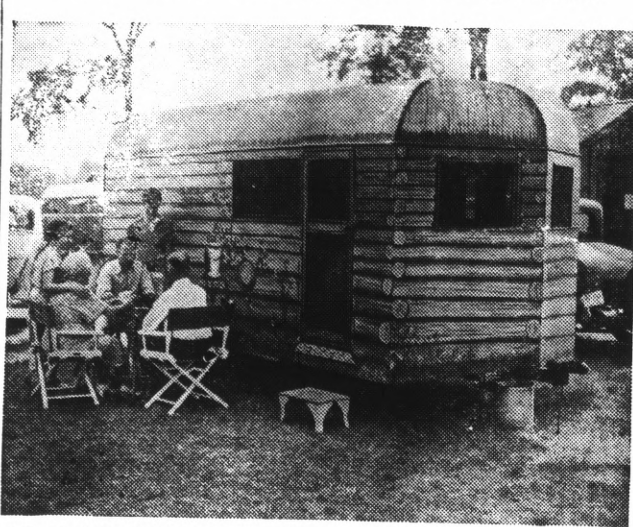

Keep a supply of alcohol (the rubbing
variety) on hand in winter to wipe the
windows in freezing weather. Use cloth
dampened with alcohol. Also use it for
mirrors and windshields, taking a wad of
paper dampened with alcohol first and
rubbing surface to be cleaned. Then fol-
low with a dry cloth on which you have
sprinkled a little non-scratching cleaning
powder. To polish, use chamois skin or
soft crushed paper.

Beware Coughs
from common colds
That Hang On

No matter how many medicines
you have tried for your common
cough, chest cold, or bronchial ir-
ritation, you may get relief now with
Creomulsion. Serious trouble may
be brewing and you cannot afford
to take a chance with any remedy
less potent than Creomulsion, which
goes right to the seat of the trouble
and aids nature to soothe and heal
the inflamed mucous membranes
and to loosen and expel germ-
laden phlegm.
Even if other remedies have failed,
don't be discouraged, try Creomul-
sion. Your druggist is authorized to
refund your money if you are not
thoroughly satisfied with the bene-
fits obtained. Creomulsion is one
word, ask for it plainly, see that the
name on the bottle is Creomulsion,
and you'll get the genuine product
and the relief you want. (Adv.)

PASSING TO FEATURE
CHARITY GAME ON
JANUARY 29

SAN FRANCISCO. (UP)—The
Knights of Columbus and affiliated
organizations, sponsors of a profes-
sional all-star charity football game
here Jan. 29, set the stage today for
a brilliant forward passing duel by
signing Billy Patterson of Baylor to
play against Davey O'Brien of Texas
Christian.

The two Southwestern stars were
considered the nation's best forward
passers during the 1938 football sea-
son.

Patterson, who threw the passes
which gave the West a 14-0 win
over the East in the Shrine game
here New Year's Day, was signed
for the all-star professional team
which will meet O'Brien's college
stars in the Kezar Stadium battle.

"Gold Days" Songs
Are Wanted

SACRAMENTO—The Sacramen-
to Empire Centennial is searching
for early California songs and tunes
that will help to create the atmos-
phere of the early days in the pro-
grams to be held at "Roaring
Camp," mining town replica now
being constructed as a feature of
the Centennial.

Anyone having knowledge of these
ancient and decidedly honorable
specimens of the music of the "dig-
gings" should write to the Sacra-
mento-Golden Empire Centennial,
Chamber of Commerce, Sacramen-
to.

Blimp Carries Hunters
Over Arizona Hills

LITCHFIELD, Ariz. (UP)—Old time
western hunters were amazed today
at the tactics of a group of, eastern
industrialists and financiers who
cruised over the desert in a blimp
to shoot coyotes.

The blimp skimmed low over the
ground, giving the hunters a chance
to lean from the cabin window and
open fire at the running animals.

Success of the hunting was at-
tested by five coyotes that were
picked up by a ground crew.

"Weekend Holidays"
Aim Of Bill

SACRAMENTO (UP)—Californians
would celebrate all its holidays on
week-ends if a bill introduced by
Assemblyman Ernest Crowley of
Suisun becomes law.

Only Thanksgiving and Christmas
would be excepted from terms of the
measure which would require cele-
bration of festive occasions to start
on Saturday.

REPORTER BANNED

BROWNSVILLE, Tex. (UP)—Frank
L. Klueckhohn, New York Times
correspondent, blamed his expulsion
from Mexico today on his dispatches
"about Mexican political deals with
Germany."

The Friendly Home Builders Club
of the Federated Church met Fri-
day night at the home of Mr. and
Mrs. Merle Thomas. Rev. John Dui-
lap led a discussion which was fol-
lowed by a social hour.

High School Notes

By DAVE JUSTER

To the assembled students last
Thursday afternoon, Highway In-
spector Carl Muller stressed the im-
portant factors of safety to be ob-
served in school busses in the fu-
ture.

He cited various cases of neg-
ligence resulting in death and in-
jury to innocent school pupils,
deaths that could have been avoid-
ed had the hurrying driver had his
mind on his vehicle.

Mr. Muller and highway patrol-
man Fowler appeared as guests of
Mr. Irving, President of the school
board, who also impressed upon the
minds of the assembled young peo-
ple the importance of the observa-
ance of the primary safety rules.

The speakers discussed such top-
ics as warning signs, running lights,
bus stops, and other laws and rules
pertaining to the preservation of
safety. The new safety rules com-
posed by the board were read and
posted on busses, and Mr. Irving
emphasized the point that the re-
sponsibility of the observance of the
rules lay in the hands of the stu-
dents.

"If you can't abide by the set
rules, you will forfeit the privilege
of riding on the busses which the
taxpayers have so willingly provided
for your convenience," Mr. Irving
said.

Without a Country

Mesrov Kalustian hopes to remain
in Meadville, Pa., by proving he is
a man without a country. When he
applied for citizenship papers in
1937, it was discovered he had en-
tered the United States illegally
years before. The government has
been seeking a Turkish passport so
it can deport him, but the area in
which he was born has been taken
from Turkey by treaties and Turkey
won't accept him.

BALANCE NEEDED

WASHINGTON (UP)—Secretary of
Agriculture Henry A. Wallace told
representatives of 48 state govern-
ments today that lack of balance
between agriculture, labor and in-
dustry threatens the general wel-
fare of the American people.

WHAT WOULD HAPPEN TO YOU
IF A TIRE BLEW OUT AT 60?

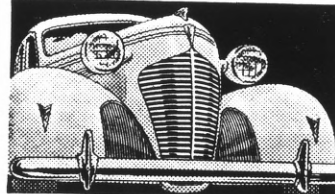

YOU'D BE SAFER WITH HUDSON'S
EXCLUSIVE AUTO-POISE CONTROL

WHY? Because this revolutionary mechanical
invention (patent applied for) automatically
helps to keep wheels on their course—on rough
roads, in heavy side winds, even when a tire
blows. The operation of AUTO-POISE CON-
TROL does not require special tires, tubes or
extra equipment of any kind. It is standard at no
extra cost on all 1939 Hudson passenger cars;
NO OTHER CAR HAS ANYTHING LIKE IT.

WHAT WOULD HAPPEN TO YOU
IF HYDRAULICS SUDDENLY FAILED?

YOU'D BE SAFER WITH HUDSON'S
EXCLUSIVE DOUBLE-SAFE BRAKES

WHY? Because, even if hydraulics should sud-
denly fail through accident or service neglect,
the driver of a Hudson just pushes farther on the
same foot pedal and STOPS. Thanks to Hudson's
exclusive Double-Safe Brakes—two braking sys-
tems (finest Bendix Hydraulics and a separate
reserve mechanical system) working automati-
cally from the same foot pedal. Many letters in
our files tell of accidents prevented by Double-
Safe Brakes, standard in all 1939 Hudsons.
